LENORE IS BACK!

Join Lenore Wiand for an experience of transcendent music through the ancient flutes of the Americas. These sacred sounds awaken and connect us to the deepest part of our beings, taking us on a personal journey of what some have called a profoundly deep touching of the Sacred, the Soul, for powerful healing and transformation.

Lenore Wiand, PhD is a psychologist and researcher focused on ancient sacred sounds and their use for healing. Her work has been researched and shown to expand states of consciousness, affect blood cells, and facilitate healing of trauma. She has worked at University of Michigan's Dept of Integrative Medicine and has traveled and played extensively throughout North and South America. Working in this field for over 20 years, she has created the music on her CD, "Ancient Spirits", under the name Aluna, which is known for its ability to quickly move people into an awareness and sense of the sacred and a place of expanded consciousness.

Many of you have experienced the depth of these workshops with Lenore and will be drawn to again commune within Sacred Sound. If you have not, we hope you will consider attending. It is an experience that is hard to communicate but impossible to forget.

JACOB EVENTS with Judy Crookes

Evenings with Jacob-channeled through Judy Crookes

Friday Evenings, May, 14, June 11, July 2 (No Evening in August)

7:30-9:30 pm; \$15.00

Ann Arbor Location; Call 734-913-4927 for information

Evenings with Jacob are a delightful time of laughter and learning. Jacob usually begins the evening by briefly speaking personally with most participants. They will then move on to an informational talk relevant to those who have gathered. Since 1996 the talks have always been relevant and useful in our search for self-understanding; typical topics have been attitude, abundance, GAIA, or reality creation. Jacob will then ask for questions, which can be about anything, personal or about the evening's topic. Occasionally, Jacob will spend a whole evening answering questions. Most evenings close with a meditation. The evenings and meditations are digitally recorded.

Reservations are not required, but are appreciated.

It is a celebration of the longest day of the year and has been an occasion for a grand tribal gathering since ancient times. In those days, people understood that the Goddess manifests as Mother Earth and the God as the Sun King. It is a festival of community sharing and planetary service. We will have a ceremonial bonfire and drumming. So bring your noise making tools!

Dear Friends,

Would you believe it? Gateways Center has been around for 8 years now! We are so blessed to have been able to continue this work and to share with you the spiritual offerings of our hearts.

The purpose of this brief letter is to let you know that we have made a decision to no longer do a paper mailing. Costs for printing and postage continue to rise and we feel that it is in our best interests to join the electronic age fully and joyfully! Therefore, this will be the last paper mailing.

We have no intention to abandon you, however, but to offer you an opportunity to join us online and on the web! If you do not already receive our emails containing new calendars and monthly updates on our events, please submit your email address to us at info@gatewayscenter.org and we will add you to our list. If you do not have internet connection or an email account, please let us know and we will continue to send you a paper copy.

If you are currently receiving these emails, do remember that we also have a website which you might find interesting to look at on occasion. It contains information on special events, about us, and a special section called "Spirit Speaks" that houses inspirational poetry, prose, and various means of engaging your higher mind. We are planning some additions to the website for the future so we hope you will have a look and enjoy what you find there - www.gatewayscenter.org - and let us know if you are holding any events or have any ideas for gatherings or workshops; we are always on the lookout for something new and we love to hear about what you are doing out there!

*Blessings on Your Journeys and Love from The Women of Gateways Center -
Lorna, Layla, Mary (Mariah), Ruby, Shirley, and Gloria*
