Element Pledge Ceremony
Sunday, April 25, 2009; 10am – 5pm, Love Offering
Manchester Area, Registration Required

The women of Gateways would like to invite you to a very special event. Through our mentor, Gwendolyn Jansma, we have been privileged to participate in these ceremonies over the last several years and it has been a rich experience for all of us. Gwen no longer mentors this path and has generously allowed us the opportunity to do so. We are so honored to be able to carry this experience forward. In Gwen's words:

“The basis of the Element Pledge lies in our deep desire as Earth Beings to unite our heavenly and earthly natures, thereby empowering ourselves to express and manifest something of Divine Truth in Daily life. The heart of the ceremony is the Element Pledge, which provides an opportunity to put forward an intention, in the presence of witnesses, to study and experience one of the four Earth Elements for a period of 3 years, 3 months, 3 weeks, and 3 days. The element selection is made on the basis of those aspects one desires to master and manifest. Ritually putting forward the intention to experience an element in all of its various aspects brings a personal rediscovery of oneself as reflected in the element. This is a journey of connection to the Planet, to the Divine, to the Self.” -Gwendolyn Jansma

Element Earth: This is a journey of empowerment concerning life circumstances. Mastery of this element balances the circumstances in one's life and assists in the manifestation of everything needed to live fully. Experientially one learns that all substance is God; that everything is charged with Divine energy and light; and that nourishment for body and soul is provided through the Earth.

Element Air is a journey of empowerment concerning life force. Mastery of the element confers a sense of freedom from the constriction of time and provides a key to the mysteries. Experientially one learns the ordinariness of miracles.

Element Fire: This is a journey of empowerment concerning communication and creativity. Mastery of this element provides power over one's thoughts and facilitates the flow of the energy of transformation. Experientially one learns of love at its highest vibration of light.

Element Water: This is a journey of empowerment concerning the flow of emotional life. Mastery of this element balances and calms the emotional waters of life and aids in coping with change. Experientially one learns that in flow there can be tranquility and that in the calmness of balance truth is reflected.

We hope you will consider joining us on April 25. Please feel free to get in touch with us for assistance in choosing an element, if you wish. You will need to make a Prayer Arrow prior to April 25 and to select the name of a mythical God or Goddess to accompany you on this journey. We look forward to talking with you and being able to provide you with more information regarding this process.

We will stand as witness and in support of your pledge. All who are called to make this pledge and/or stand as witness for others are invited to attend. You may call 734-428-8748 or email info@gatewayscenter.org for more information and to register.

JACOB EVENTS

Evenings with Jacob - Channeled through Judy Crookes

Friday Evenings, January 8, February 5, March 5, April 9

7:30-9:30 pm; \$15.00

Ann Arbor Location; Call 734-913-4927 for information

Evenings with Jacob are a delightful time of laughter and learning. Jacob usually begins the evening by briefly speaking personally with most participants. They will then move on to an informational talk relevant to those who have gathered. Since 1996 the talks have always been relevant and useful in our search for self-understanding; typical topics have been attitude, abundance, GAI, or reality creation. Jacob will then ask for questions, which can be about anything, personal or about the evening's topic. Occasionally, Jacob will spend a whole evening answering questions. Most evenings close with a meditation. The evenings and meditations are digitally recorded.

Reservations are not required, but are appreciated.
